Mobile : 778-833-3510

Address: 204-10871 Mortfield, Rd. Richmond, BC, V7A2W1

EDUCATION

- **UBC Sauder School of Business** Vancouver, BC
Bachelor of Commerce, Combined Major in Business and Computer Science; GPA: 86% Sep. 2019 - Present

EXPERIENCE

- **Zennea Technologies** Vancouver, BC
Android Developer Intern Jan 2021 - Aug 2021
 - **Ideation:** Worked alongside clinical trial patients to ideate app features and design. Constantly performed internal app demonstrations in order to receive feedback to improve app design and user experience. Constant collaboration with all stakeholders when making design and functionality changes.
 - **Development:** Created a full-stack user login, profile and device connection system. Front-end created in Android Studio with components made in Adobe Illustrator. Utilized Firebase for back-end database storage and services such as authentication. Integrated a multitude of API for 3rd party services. Worked with Android Bluetooth Low Energy (BLE) technology to facilitate device connection with Zennea's wearable device.
 - **Documentation:** Wrote numerous documents concerning development choices for each system along with instructions for use. Comprehensively ran through entire application before end of internship to create a detailed document on future bugs to fix and potential features to add.
- **Hillhouse Education** Vancouver, BC
Academic Tutor Jun 2020 - Present
 - Provided tutoring for students from ages 7-18 in various subjects including basic programming in Java
 - Responsible for planning lessons, teaching, and going through exams
 - Improved communication, patience, and problem-solving skills from teaching students of various ages and learning speeds

EXTRACURRICULARS

- **National Strategy and Consulting Competition (NSCC 2020)** Vancouver, BC
12th/60 Teams, Finalist Nov 2020
 - Analyzed and presented a case solution to lululemon as a group of 4
 - Created an InVision prototype, and financial models as part of case presentation
- **BizHacks 2020** Vancouver, BC
8th/54 Teams, Finalist Jan 2020
 - Worked in a team of 5 to prototype and present a line queuing application to Best Buy in a 30hr hackathon, making it to the final round
- **Royal Canadian Air Cadets** Richmond, BC
Warrant Officer Second Class Sep 2013 - Aug 2019
 - Awarded Lord Strathcona Medal for Fitness and Military Familiarization
 - Achieved 2nd highest rank in program, attended both pilot scholarship programs: Glider Pilot (2017) and Power Pilot (2018)
 - Selected for International Air Cadet Exchange Program to Australia (2019)

SKILLS

- **Technologies:** MS Office Suite, Android Studio, Firebase, React, Figma
- **Programming Languages:** Kotlin, Java, Javascript
