EDUCATION

University of British Columbia

Year 4 Computer Science & Business (BUCS), Bachelor of Commerce

- GPA: 85%, Dean's Honour Roll

Vancouver, BC

Expected December 2022

EXPERIENCE

Deloitte

May 2022 – September 2022

Risk Advisory Analyst Intern

Vancouver, BC

- **Risk:** Consulted with clients to help them identify, manage, and respond to brand, financial, and catastrophic risks that could undermine their competitive position and jeopardize their critical assets, reputation or financial health
- **Strategy:** Assisted clients with defining and implementing strategies to manage their attack surface focusing on the continuous discovery, inventory, classification and monitoring of an organization's IT infrastructure
- **Industries:** Conducted engagements for both public and private clients spanning industries such as software, telecommunications, real estate and mining.

Zennea Technologies

January 2021 – August 2021

Android Engineer Intern

Vancouver, BC

- **Design:** Helped create layout and flow design documents with lead engineer for other developer interns to follow
- **Front-End:** Created front-end app layouts for all systems (login, profile, device connection, and therapy) with Kotlin in Android Studio using reusable components, following SOLID object-oriented (OOP) principles
- **Back-End:** Implemented Firebase for user authentication services, managing user data, and sending notifications
- **Other:** Leveraged 3rd party APIs for login flow (Facebook, Google), configured Bluetooth Low Energy (BLE) technology to facilitate device connection with Zennea's wearable device, presented app demos to company

Hillhouse Education

June 2020 – March 2021

Academic Tutor

Vancouver, BC

- **Time management:** prepared lessons and learning materials ahead of time, ensured students stay on task and all material is covered during the session and that students are adequately prepared by their exam date
- **Communication:** adjusted teaching style to accommodate for all ages, English proficiencies and learning speeds
